64 townhomes and flats on Orchard Road

Community meeting · Stone Hollow Grange Hall · June 3, 2025

What we are proposing

- We plan to offer 16 of the 64 homes at below-market rents.
- Those 16 homes would be for families earning up to half of the area median income.
- We are asking the Village for a sales tax rebate on building materials.

How long, and what comes next

- The rent limits would stay in place for at least thirty years.
- Village Board hearing: fall 2025.
- Ground-breaking: spring 2026, if approved.
